ICON SLIMLINE FIREBOX FBDS2000 STEEL

BIO-70-225

The Icon Slimline Firebox FBDS2000 - Steel is a double-sided built-in bioethanol fireplace that combines stylish design with efficient heat production. With a burn time of up to 9 hours and a capacity of 8.15 liters of bioethanol, this fireplace delivers up to 9.8 kW of heat output. The sleek and modern stainless steel design makes it ideal for wall installations, where the flames can be enjoyed from two rooms simultaneously. Requiring no chimney, the installation is flexible and straightforward. The manual operation ensures easy use and control over the flame intensity.
